

Bilderberg 2013: i potenti del mondo si riuniscono. Niente più segreti, ecco la lista completa dei partecipanti

[Fonte e Link: forexinfo.it](http://forexinfo.it)

Considerato da decenni il simbolo di poteri forti, di coloro che si riuniscono al solo scopo di “governare il mondo”, il gruppo Bilderberg, formato da personalità influenti del mondo della politica, dell’economia e dell’informazione, quest’anno cambia abitudini e lo fa in nome della trasparenza.

Niente più segreti: luogo, temi e partecipanti alla riunione annuale sono stati resi noti al grande pubblico. Una novità rispetto alle passate edizioni, caratterizzate dalla riservatezza e da un alone di mistero che ha sempre alimentato la curiosità di molti, spingendo altri alla polemica e alle accuse.

Sul sito Bilderberg 2013 si legge:

“per la prima volta, ci sarà un ufficio stampa, per rendere più semplice il lavoro dei media, sia mainstream che alternativi, e la copertura della riunione”.

Ma non è tutto, bilderbergmeetings.org rende noti anche **gli argomenti** che si tratteranno durante l’evento: occupazione, crescita, nazionalismo e populismo, big data, Medio Oriente, mercati africani e cyberguerra.

La riunione

Manager, imprenditori, reali, politici, banchieri, tutti saranno presente all’evento che si terrà tra il **6 e il 9 giugno a Watford**, in Inghilterra.

Bilderberg 2013: i potenti del mondo si riuniscono.

Con buona pace di chi, da anni, parla di complotti e di cospirazioni capitaliste contro la democrazia, il Gruppo Bilderberg quest'anno ha modificato il proprio modus operandi, ma i controlli continueranno ad esserci, anzi proprio la trasparenza dell'evento ha fatto sì che aumentassero in maniera cospicua:

“La pressione di giornalisti e attivisti ha avuto successo: per la prima volta in 59 anni ci sarà un ufficio stampa non ufficiale, composto da volontari”.

Gli Italiani del Gruppo Bilderberg

Presenti alla riunione, anche numerosi ospiti italiani: dall'ex Presidente del Consiglio **Mario Monti**,

che fa parte del direttivo, alla giornalista di La7

Lilli Gruber.

Ma anche: Enrico Tommaso Cucchiani (AD di Intesa San Paolo), Alberto Nagel (capo di Mediobanca),

Franco Bernabé

(presidente Telecom), Fulvio Conti (Enel) e

John Elkan

(Fiat).

Per quanto riguarda i **partecipanti internazionali**, spiccano i nomi di Manuel Barroso (presidente della Commissione Europea), John Micklethwait (direttore del “The Economist”), Eric Schmidt (capo di Google) e Christine Lagarde (direttrice del FMI).

La lista dei partecipanti

Di seguito vi proponiamo la lista completa dei partecipanti alla riunione, pubblicata sul [sito ufficiale](#) :

1. Chairman FRA Castries, Henri de Chairman and CEO, AXA Group

11. GRC Greece

NOSTRO COMMENTO: Ecco la lista delle persone che comandano. I Governi degli Stati d'Europa prendono ordini dai Sigg.ri del Gruppo Bilderberg. Ora hanno buttato giù la maschera, grazie anche al lavoro costante di Internet che li ha smascherati. Nonostante abbiano modificato il loro modo di operare restano sempre dei grossi capitalisti con l'odio innato verso le classi più deboli. "Il lupo cambia il pelo ma non il vizio" Tutto il resto è poesia.
